

## STUDENT LEARNING OUTCOMES

### COLLEGE OF ARTS AND HUMANITIES HISTORY - B.A.

#### Discipline Specific Knowledge, Skills, Behavior and Values

1. Our Strategic Development Plan identifies and establishes an automatic, Webcourses Quiz. The computer-graded Quiz can be inserted into each Cornerstone and Capstone course and utilized as a Pre-Test and Post-Test. This tool will be created to provide direct measurement of discipline-specific knowledge, and skills gained, by BA History students.

#### Critical Thinking

1. Our Strategic Development Plan identifies and establishes an automatic, Canvas-embedded course Rubric. This rubric will be a simple evaluation tool, provided to every Portfolio section for the assessment of student critical thinking skills, which are developed through research papers and presentations.

#### Communication
